### NOTIFICATION

New Delhi, the 11th December 1967

S.O. 4448.—Whereas the Central Government is of opinion that it is necessary and expedient for the development of the export trade of India, in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to subject to quality control and inspection prior to its export, the dried fish mentioned in Annexure I to this notification:

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council, as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government hereby publishes the said proposals for the information of the public likely to be affected thereby

2. Notice is hereby given that any objections or suggestions with respect to the said proposals may be forwarded, within thirty days of the date of publication of this notification, to the Export Inspection Council, 'World Trade Centre' 14/1-B. Ezra Street (7th floor), Calcutta-1,

### Proposals

- (1) To notify that the dried fish specified in Annexure I shall be subject to quality control and inspection prior to its export;
- (2) to recognise the specifications as set out in Annexure II to this notification as the standard specifications for the said commodify:
- (3) to specify that the type of inspection detailed out in the draft Export of Dried Fish (Quality Control and Inspection) Rules, 1967 set out in Anneque III to this notification which the Central Government proposes to make under section 17 of the Act, shall be the type of inspection applicable in respect of that commodity; and

- (4) to prohibit the export, in the course of international trade, of such dired fish unless the same is accompanied by a certificate issued by the Export Inspection Agency, Madras, established under section 7 of the Export (Quality Control and Inspection) Act, 1963 (21 of 1963) to the effect that the said commodity conforms to the standard specifications as recognised under sub-paragraph (2) and is export-worthy.
- 3. Nothing in this notification shall apply to the export by sea, land or air of samples of dried fish to prospective buyers, provided that each such sample does not weigh more than 2 kilograms.

#### Annexure III

Druft rules proposed to be made under section 17 of the Export (Quality Control and Inspection) Act, 1963.

- 1. Short title and commencement—(1) These rules may be called the Export of Dried Fish (Quality Control and Inspection) Rules, 1967.
  - (2) They shall come into force on
  - 2. Definitions.—In these rules, unless he context otherwise requires—
- (a) 'Agency' means the Export Inspection Agency, Madras established under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).
- (b) 'Dried fish' means (i) any of the trade varieties of the dried fish as specified in the Schedule to these rules; (ii) any other trade varieties of the dried fish, which the Central Government may, by notification in the Official Gazette, add to the Schedule to these rules.
- 3. Basis of Inspection—Inspection of dried fish intended for export shall be carried out with a view to seeing that the dried fish conforms to the specifications recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).
- 4. Procedure for Inspection.—(1) An exporter intending to export dried fish shall submit an application to the Agency, or to an officer of the Agency authorised in this behalf by the Agency, giving particulars of the consignment intended to be exported, to enable it to examine such consignment or cause the same to be examined to see whether the same conforms to the specifications, referred to in rule 3.
- (2) Every application under sub-rule (1) shall be made not less than twenty tour hours before the anticipated time of despatch of the consignment from the godown.
- (3) On receipt of the application referred to in sub-rule (2), the Agency shall inspect the consignment and satisfy itself that the consignment complies with the requirements of the recognised specifications. The exporter shall provide all necessary facilities to the Agency to enable it to carry out such inspection.
- (4) If on such inspection of the consignment, the Agency is satisfied that the same conforms to the recognised specifications and has been packed and marked according to these rules, it shall issue a certificate declaving the consignment as export-worthy.
- 5. Packaging for Export.—(1) The dried fish shall be packed in sound condition in leaf mats tied by a single coir rope. The bundle shall have only one knot which may be on the top or side of the bundle. The bundles shall be over-wrapped with serviceable gunnies or hessian cloth and properly stitched. When gunny bags are used, the original seams of the gunnies shall be inwards.
- (2) An, packing, which is superior to the packing specified in sub-rule (1), may be adopted by the exporter subject to the prior approval of the Agency.
- (3) Each package of any variety of dried fish shall contain a net quantity of 50.80 kg. (112 lb.) of fish.
- (4) The total weight of the packing materials shall be uniform so as to ensure that the gross weight of the packages are uniform.
- (5) The exporter shall ensure that in all packages passed for export, the coir rope knot on the bundle is securely tied by means of a strong jute or hessian twine through which a lead Scal shall be placed by the Agency.
- (6) The exporter shall stencil their marks on the two broad sides of every package with indelible ink. The gross and net weight of each package and the name of the variety of fish packed shall also be marked on each package.
- 6. Place of Inspection—(1) Inspection for the purpose of these rules shall be carried out at the exporter's premises which shall be well lighted and maintained in sanitary and hyglenic conditions. Necessary facilities for weighing, packing and inspection shall be provided at the premises by the exporter
- (2) In addition to the inspection at the premises mentioned in sub-rule (1), the Agency may exercise such supervision at the port of shipment before loading, as it may consider necessary to carrying out the purpose of these rules.
- 7. Inspection fees—The fees chargeable for purpose of examination and issue of certificates by the Agency under section 7 shall be calculated at the rate of rupee one for every Rs. 100.00 or fraction thereof the F.O.B. value of the goods and shall be paid to it for the inspection of dried fish under these rules.

- 8. Appeal—Any exporter aggrieved by the refusal of the Agoncy to issue a certificate under sub-rule (4) of rule 4 may, within forty eight hours of the receipt of the communication of such refusal by him, prefer an appeal to a panel of experts, consisting of not less than three persons, constituted for the purpose by the Central Government.
  - (2) The decision of the panel of experts on such appeal shall be final.
